

Become More Involved With MACPO Join One Of Our Committees

Legislative Committee: Responsible for coordinating and monitoring all legislative affairs for the association. They meet monthly, or more as needed. Activities include working closely with the association lobbyist, collaborating with other corrections associations and attending legislative hearings that impact the members of the association.

Communication Committee: Responsible for coordinating all the communication functions of MACPO. They meet as needed. Activities include developing, publishing and distributing the MACPOST newsletter throughout the year. In addition, the association has added a Facebook account to help draw attention to the organization with social media. The committee is also responsible for developing and maintaining the MACPO website.

Membership Committee: Responsible for coordinating all membership services to the association. They meet monthly, or more as needed. Activities include maintaining the master roster of the association members, participating in outreach activities for the association at universities and other organizations, maintaining the association's conference booth, coordinating scholarships and providing hospitality at association events.

Training and Education Committee: Responsible for coordinating all training events for the association to further the knowledge base of the membership. We meet monthly, or more as needed. Activities include developing training agendas for each conference, arranging for speakers, reserving training facilities, assisting with registration, arranging entertainment and working closely with vendors.

Safety Committee: MACPO implemented a Safety Committee in July of 2023. The committee's exact goals and structure are still being determined
